## April / May 2022

*The Newsletter now has a new location. Instead of being emailed out to a list of VRCC members and others it is now located on the VRCC web-site. So, if you hear about anyone missing it not being emailed, please direct them here. You can also pick up a hard copy from reception at Vines Road Community Centre.*

### COMMITTEE NEWS

The VRCC Inc Committee of Management has been in discussions with Western Heights College and City of Greater Geelong for some time seeking to rectify an oversight about metering and splitting the utilities bills for the precinct. At long last this process is nearing completion we are glad to say.

Members are often curious as to why our membership runs from July 1 to June 30. The committee will be looking at whether this can be changed to a calendar year, but in the meantime, members are reminded that the membership fee (\$5) is payable from July 1 to June 30 in the following year, but to vote at the AGM, membership

needs to be paid before the meeting takes place.
